Anchor: Welcome back everyone. Our next story tonight is a special report about office safety. Every year, countless workplace accidents occur, causing injury, damage, and financial losses. In an incident yesterday afternoon, an office building had to be evacuated due to an emergency, but during the process, one of the workers mysteriously collapsed and had to be taken to the hospital. This unfortunate incident serves as a stark reminder that workplace safety is not to be taken lightly. And with that said, let's take a closer look at what happened. Our reporter Colin is on the scene. Colin, what can you tell us?
