Adapt

to change, in order to better suit a new situation

"After the fifth failed interview, Pete adapted his expectations to be more realistic in the type of job he was applying for."

Appraisal

a meeting where one's job performance is evaluated by a boss or manager

"All staff appraisals will be held in January."

Background

a person's history or experience to date

"His background is in sales but I think he would be a good choice for the position of customer service manager."
